Re: *Chris Sforza v. City of New York, et al.*, 07 Civ. 6122 (DLC)

Your Honor:

I write concerning Ms. Scharfstein's letter to the Court dated September 24, 2007. I must apologize both to the Court and to Ms. Scharfstein for my delay in providing the necessary releases and in amending the complaint.

As the Court may be aware, I am a solo practitioner and I am one of the lead attorneys in the massive consolidated litigation before Judges Karas and Francis arising from arrests during the 2004 Republican National Convention. I myself represent almost 200 of the individual plaintiffs. These cases have required a super-human effort on my part over the past several months, the equivalent of having been on trial nonstop since mid-May. It has, consequently, been difficult for me to pay proper attention to my non-RNC cases.

Earlier today, I filed the amended complaint and hand-delivered the releases to Corporation Counsel. Accordingly, the relief requested by Ms. Scharfstein will not be necessary.

Thank you for your consideration in this matter.

*Further similar failures to comply
definitely with discovery obligations
in this case may result in dismissal.
The conference is adjourned to Nov. 30,
2007 at 9³⁰ am. Denise Cote*

Respectfully,

Rose M. Weber
